Teenagers often feel a lot of pressure from many areas of their lives. One common (**14**) _____ of pressure is school. Teens have to study hard and get good grades to prepare for their future, which can be stressful. They also face pressure from their friends to fit in. This can lead to doing things they don't really want to do, like wearing certain clothes or trying things such as smoking or drinking.

Social media adds even (**15**) _____ pressure. Teens may feel like they need to look perfect or have the best life because of what they see online. This can make (**16**) _____ with themselves.

It's important for teens to remember that they don't have to be perfect. Talking to a trusted adult, like a parent or teacher, can help them manage stress. Finding healthy ways to relax, like sports or hobbies, is also a great way to deal with pressure.
